### Toyomoto Warranty-Liability Policy

Due to intended use of supplied parts, warranty is limited to three months from date of shipment to be free from manufacture defects and workmanship. This does not include improper installation, tampering, towing, removal or replacement, alterations, improper use that exceeds specific intended design.

We extend no warranty to, nor accept any liability for damage to any stock vehicle componets.

We accept no liability for personal injury or death under any circumstances.

We accept no responsibility for advising the end user with respect to the State or Federal laws applying to the use of such componets. Some products supplied are legal in California for racing vehicles which may never be used on public highway.

Acceptance or installation of components constitutes a full understanding and agreement to this warranty/liability policy.
